

The background of the entire page is a nighttime photograph of the Edmonton skyline. Numerous high-rise buildings are lit up with warm yellow and orange lights, contrasting against the dark blue twilight sky. In the foreground, there are snow-covered trees and a body of water, possibly a river or lake, reflecting the city lights. The overall atmosphere is cold and urban.

EXHIBITOR AND SPONSOR PROSPECTUS

SOCIETY OF TOXICOLOGY OF CANADA

2026 ANNUAL SYMPOSIUM

Edmonton, Chateau Lacombe Hotel, December 6-8

The New Era of Toxicology:
Intelligent, Predictive, and Globally Connected

About Us

Society of Toxicology of Canada

Founded in 1964, the Society of Toxicology of Canada is the premier national organization of toxicologists, with sectorial representation from Academia, Government and Industry. Our mission is to create a community of toxicologists and support dissemination of fundamental and applied toxicology.

Our Annual Symposium

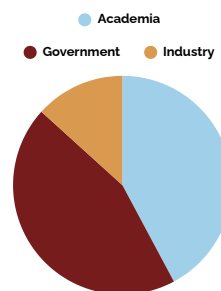

PROGRAM

The Annual Symposium is an engaging forum held over 3 days in different Canadian cities each year, with international and Canadian speakers. We offer in person and remote participation.

ATTENDANCE

The Annual Symposium attracts toxicologists working in academia, government and industry across Canada

AWARDS

Each year, the Society gives multiple awards:

- Gabriel A. Plaa Award – Career in Toxicology
- V.E. Henderson Award – Young Toxicologist
- Barbara Hales Award – Toxicology impact over five years
- STC/Intertek Graduate Student Awards
- STC/CRoSP Graduate Student Awards
- Trainee Travel Awards
